Empowering the Next Generation of Leaders

CareerONE

Summer Youth 40-Hour Career Mentorship

Employers: Enlighten students about your career opportunities, inspire young minds and help prepare them for meaningful job opportunities in your industry.

Program Benefits for Youth

- Obtain practical work experience in their field of interest
- Network with industry professionals
- Receive personalized coaching and mentorship
- Participate in training and development activities
- Shadow and work on real projects and initiatives
- Earn a $500 stipend from Career Solutions

Information & Benefits for Employers

Employer's Role: Provide job shadowing, guidance & feedback to the youth.

Ages of youth: 14-18 years old

Hours: Mentorships are 40 hours.

Number of Weeks: On average teens complete their mentorships in 2-3 weeks, sometimes 4 weeks.

Stipend for Youth: A $500 stipend is provided to the teen by Career Solutions.

Benefits: You will contribute to the development of tomorrow's workforce; you will raise your organizations profile as an engaged civic leader, and it's fun!

Youth Career Mentorships can help young people see the connection between what they learn in the classroom and what they will encounter in the real world .

CareerSolutionsjobs.org

Career Solutions can provide consultation with employers to arrange mentorships.
